Electric blanket testing is still available in Oxfordshire

The offer of a **FREE** test of any electric blankets is still available in Oxfordshire this year but instead of booking a slot at a centre and bringing your blanket along, please book a slot for your blanket to be sent a bag with the blanket and cable, and this will then be collected and returned to them the same day after it has been tested.

The blankets will be collected and returned to them by a member of the Age UK team or from Trading Standards or a fireman so hopefully they will be able to do an 'in person' in the doorstep check-in too. See how to book your October slot.

HOW SAFE IS YOUR ELECTRIC BLANKET?

Make sure your blanket is safe to use this winter.

Things change

- but your safety is most important to us.

Due to Covid-19 restrictions, we will test your blanket, but you will not be able to visit the test venue.

We will collect your blanket from your house, take it to be tested and then return it to your house (we will post you a plastic bag and label prior to our collection).

Testing in Oxfordshire in **OCTOBER 2020**

Monday 5 – Friday 9 and

Monday 19 – Friday 23
